## NOT VOTING—6

Herrera Beutler	McCarthy (NY)	Turner
Higgins	Rush	Young (FL)

□ 1433

So (two-thirds being in the affirmative) the rules were suspended and the joint resolution was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

Stated for:

Mr. TURNER. Mr. Speaker, on rollcall No. 538, I was inadvertently detained. Had I been present, I would have voted "yes."

## SHUTDOWN ISSUES

(Mr. POSEY asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. POSEY. Mr. Speaker, most people are surprised and actually stunned and amazed to discover that the Senate and the House have agreed—at least for the next 5 weeks—on a level of funding.

This is not an argument about money. This shutdown is not about money. There are only two issues stopping the shutdown from coming to an end right this second. The President was on television yesterday, for over an hour, and never mentioned those two issues.

We've agreed on the money. Here are the issues:

Make Congress and the White House obey the same ObamaCare rules as everybody else in the United States of America.

The President gave Big Business and special interests a 1-year break from being a part of ObamaCare.

We want America's workers and families who work hard and play by the

rules to have the same advantage. That's what Republicans, Democrats, and Independents in my district say they want.

To give special benefits only to Big Business and special interests is not fair, it's not right, and it's not good for the United States of America.

## VOTE ON A CLEAN CR

(Mrs. KIRKPATRICK asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Mrs. KIRKPATRICK. Mr. Speaker, I stand here on behalf of my Arizona district to once again make a simple request: allow a vote on a clean funding bill to reopen the government.

In the past week, House GOP leaders only allowed piecemeal votes on bills that went nowhere. Yesterday, they did it again. This time, they did it with Head Start funding, which is important for the 12 Native American tribes in my district. Schools on tribal lands have already taken a massive hit with sequestration cuts.

The shutdown is continuing this pain, not just with cuts to Head Start and impact aid, but with furloughs from the Indian Health Service and with cuts in funding for programs that protect women from violence.

These piecemeal games are a dead end. They only prolong the shutdown. If House leadership were genuinely concerned about programs like Head Start or Impact Aid, they would allow a vote to reopen the government.

Congress should stop picking winners and losers. This is not a game. We demand a vote on the budget.

## LET'S GET OUR ACT TOGETHER

(Mrs. BACHMANN asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Mrs. BACHMANN. Mr. Speaker, I rise today to reiterate again that the bodies have agreed on the general numbers that we have to look at to deal with our budget. We need to do it. We need to get it done, and we need to get people back to work here in the United States of America.

The one thing that shocked me, Mr. Speaker, is last Saturday, I went with my colleague STEVE KING to The Mall because we wanted to open up the World War II Memorial, the Korean Memorial, and the Vietnam Memorial so that our veterans and the American people could visit them.

We were absolutely shocked to find the level of intimidation that was going on. Police dogs were held by park rangers, and mounted police were in front of the barriers in front of these monuments. That's shameful.

What was even more shameful is that there were 90-year-old people in 90-degree weather, and the park system had shut down not only the water fountain but also the bathrooms. We had 10

Honor Flights coming in to visit the World War II Memorial, and in one of the most undignified acts I've ever seen, the Greatest Generation was denied access to a public bathroom in the national park.

That's terrible. We wouldn't do that to anyone. That's why we need to get our act together and get this taken care of.

## SHUTDOWN CONSEQUENCES FOR NEVADA

(Mr. HORSFORD asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. HORSFORD. Mr. Speaker, I come to the floor today to give credit where credit is due and to commend a Republican who understands the negative consequences of this shutdown, and he is the Governor from my home State of Nevada, Governor Brian Sandoval.

Yesterday, he told the Las Vegas Sun that Nevada is struggling because of this ongoing shutdown. He said that Nevadans are going to "see some catastrophic issues going on for the State" if the shutdown continues.

The Sun reported that 362,000 food stamp recipients will see benefits end on November 1 as State employees who administer the program face potential furloughs. In addition, 425,000 women, infants, and children would be cut from food assistance rolls. Rape crisis call centers may be closed. Unemployment claims will not be processed.

Republicans in Congress need to recognize what's happening in their States. Listen to your constituents. Listen to your State legislators and Governors.

This shutdown needs to end, and it needs to end now.

DEAR SENATORS AND CONGRESSMEN: Your service to our state is vitally important, and I want to thank you for your work and dedication. I know we all put Nevada first and understand how special and unique our great state is. We have all worked together to move our state forward, and I will always be grateful for your willingness to put partisanship aside when it comes to Nevada.

I feel compelled to write all of you to express my deep concern with the shutdown of the federal government and its potential impacts on our state. This shutdown impacts how the state operates, the services we are
